District Chicago 's Platoon 7 is once again organizing a head-shaving team for St. Baldrick's. St. Baldrick's is a fund-raising event for children's cancer research.

Participants pledge to get their heads shaved in exchange for monetary donations. Head-shaving involves a zero guard on an electric razor--no razor blades.

For the last two years TEAM TROOPER has been the leading fundraiser at the St. Baldrick's event held at Finnegan's Irish Pub in Plainfield , IL. I am once again asking for volunteers and/or donations for our event. The event will be held at Finnegan's on Sunday, March 14th, starting at 12:00 pm. Any ISP employee or family member can join the team. Team members can register at :
