Re: Cadet Transfer Notification

Dear President Powell,

Article 38 of the agreement between the Illinois State Police and Troopers Lodge #41 requires qualified transfers to occur prior to cadet placements. Regarding Cadet Class 125, please notify your membership that Troopers must be on the transfer list as of May 16, 2014, to be considered eligible to transfer as permitted by policy. Thank you for your cooperation. Please contact our office with questions.

Respectfully,
